Professor Khurshid Ahmad

Dar brother Khurshid Ahmad,

Assalaam Alaikum wa Rahmatullah wa Barakatuhu.

We are greatly concerned about the reported arrest in Peshawar of some 40 Arab Mujahideen who are being held in Hayatabad prison. They include Mr Ibrahim Naji who was tried in absentia by the Mubarak regime and sentenced to death.

It is understood that the arrests have been made at the behest of governments of the Mujahideen who want them returned so they can be punished for their political views. We are especially concerned about Mr Ibrahim Naji who is almost certain to be executed if he is sent back to Egypt.

We have been trying to send a fax message to Prime Minister Nawaz Sharif on this subject but have been unable to get through. We are sending the same to you and request that this be delivered to him as soon as possible.

We also request you to do whatever is possible in this matter.

With kind regards,

Yours sincerely,

Salem Azzam
